EDUCATION AND HONORS

Binghamton University, State University of New York, School of Management — **Binghamton, NY**
Bachelor of Science in Business Administration, Concentration in Finance — *Expected May 2027*

PROFESSIONAL EXPERIENCE

Citi — **Buffalo, NY**
Financial Analyst Intern — *June 2026 – August 2026*

- Supported the Banking and Services Financial Controllers team in implementing a new Controller organizational structure aimed at establishing clear ownership of manual financial adjustments across newly defined functions
- Analyzed and transformed 75,000+ manual financial adjustment entries into digestible insights to identify ownership patterns and key function leads, conducting a pilot review to develop a standardized, repeatable model for future ownership reviews
- Leveraged AI tools to enhance daily workflows, interpret complex information more efficiently, and design clear, data-driven presentations and slide decks
- Built an interactive HTML walkthrough and prompt-building resource and presented it to 30+ employees across multiple teams within Citi, demonstrating practical ways to create and incorporate HTML tools into everyday workflows

Hohl Industrial Services — **Tonawanda, NY**
Bid Administrator — *December 2025 – February 2026*

- Managed the timely and accurate preparation and delivery of 40+ bid proposals to existing and prospective clients, ensuring project objectives and requirements were accurately reflected
- Reviewed project scope letters and supporting documentation to prepare customized bid proposals and coordinated final submissions with project managers

Targeted Lending Co — **Williamsville, NY**
Finance Intern — *May 2025 – August 2025*

- Researched state-by-state usury laws, analyzing maximum interest rate limits and differences in the treatment of business vs. consumer loans; prepared loan files, credit applications, loan applications, title packages, and collateral documentation
- Tracked collateral status (repossession, sale, settlement) and managed loan documentation by using Leasepath CRM
- Assisted in reviewing client financial statements to evaluate repayment risk

The ZLC Group CPAs — **Amherst, NY**
Accounting Intern — *May 2024 – August 2024*

- Conducted balance sheet reconciliations, facilitated year-end closing processes, and processed accounts payable transactions efficiently to secure accurate financial reporting
- Utilized bookkeeping software such as GoFileRoom and PracticeCS to properly perform tasks, maintaining and organizing financial records correctly to minimize the workload of the team

Hohl Industrial Services — **Tonawanda, NY**
Human Resources Intern — *June 2022 – August 2022*

- Managed and updated the employee handbook by rewording and redesigning the content, improving the clarity of existing policies
- Set up and facilitated 10+ job interviews by posting various job openings with detailed descriptions on Indeed and Glassdoor, ensuring qualified candidate screening and reducing administrative burden for the Head of Human Resources
- Improved the accessibility of employee documents by scanning, filing, and organizing W-2 forms, I-9s, and other important employee documentation as part of the background check and onboarding process

LEADERSHIP EXPERIENCE

Zeta Tau Alpha — **Knoxville, TN**
Member — *August 2023 – May 2024*

- Organized, executed, and participated in fundraising events such as tailgates, ribbon pass outs, 5K races, and more, contributing over 20 hours a semester and raising $100,000+ as a group to support local nonprofits and breast cancer research

Women in Finance, Women of Haslam — **Knoxville, TN**
Member — *August 2023 – May 2024*

- Attended weekly meetings and external activities with women pursuing business-related studies to stay engaged and informed with finance-related topics and improve professional development skills
- Networked with alumni and other members, attended speaker series, learned about different career paths in finance, and participated in social events for increased team bonding to further professional relationships

TECHNICAL SKILLS

Excel, PowerPoint, HTML, Generative AI tools (ChatGPT, Claude, Gemini, Copilot, Stylus)
